

Step by step online payment process

1

Enter the Inser website www.inser.com.co
Change the language to English and choose the online payment option registered at the top right.

2

You will find some recommendations to take into account when making the payment.
Go to the bottom of the page and select the Inser location where you are inquiring.

3

Click on the payment button that you will see once you have selected the city of your treatment.

4

Fill in the required information in the platform:

Enter your ID, either Colombian CC or your passport number.
Choose USD (US dollars) or COP (Colombian pesos).
Enter the total amount without periods or commas.

5

Click the pay now (pagar ahora) button

6

Complete the requested information:

Choose your place of residence and enter the email where you want to receive the proof of payment, click on the continue button, select the payment method.

7

Enter all the necessary credit card information and select the continue option.

8

Finally, please enter the requested cardholder information and click on the pay button.

If the payment is successful, you will receive a confirmation with all payment details.

ACCEPTED

ARE YOU TRAVELING TO COLOMBIA FOR YOUR TREATMENT?

Take into consideration the **conditions of entry to the country**
